- The Princeton Review

**LOCATED IN
BLACKSBURG, VIRGINIA**

Virginia Tech is one of the world's leading research universities, where students work across disciplines with world-renowned professors. International partnerships drive many of our best programs.

With the unique pairing of a large research university and a small town, Virginia Tech has created a special experience. Outdoor sports and activities are plentiful, and many students enjoy hiking, kayaking, bicycling, and other activities.

WHERE TO START?

If you want to improve your language skills in a university setting:

THE LANGUAGE AND CULTURE INSTITUTE

lci.vt.edu

There is no better way for you to improve your English language skills and experience American culture than through the Virginia Tech Language and Culture Institute (LCI). Whether you want to prepare for university study in the U.S. or simply enhance your language skills for work or pleasure, the LCI will help you reach your goals.

INTENSIVE ENGLISH PROGRAM:

- Full-time, noncredit academic program
- Six start dates, in the fall, spring, and summer
- 10 levels of instruction, from beginning to advanced
- Advanced computer-assisted learning center
- TOEFL iBT preparation classes offered each term
- All faculty have master's degrees or doctorates and certificates of advanced study

STUDY NEAR WASHINGTON, D.C.

You can choose to study at our main campus in Blacksburg or in our new location just minutes from the U.S. capital. Our state-of-the-art learning center in Fairfax, Virginia, is located near a major Metro stop, providing easy access to all of Washington's tourist sites.

If you have lower English skills but wish to enter Virginia Tech as an undergraduate:

CONDITIONAL ADMISSION

lci.vt.edu/cap

Virginia Tech offers conditional admission to prospective undergraduate students who meet all university admission requirements except language test score requirements.

Applicants are conditionally admitted based upon an evaluation of their high school records.

Once you are in the program, you will work toward meeting admission requirements while studying at the Language and Culture Institute. When conditional requirements are met, you will be transferred into the undergraduate program.

ELIGIBILITY:

- The most competitive applicants present a high school equivalent grade-point average of at least 3.5 on a 4.0 scale (88%) for engineering majors and at least 3.0 on a 4.0 scale (75%) for other majors.
- Transfer students from U.S. or foreign universities or from U.S.-based English programs are ineligible.
- You must be 17 years old or older at the time you begin intensive English studies.

LCI DATES AND PRICES

Term	Start	End	Blacksburg Course Fees	Total Estimated Cost
Fall I	Aug. 28, 2017	Oct. 20, 2017	\$4,150	\$8,345
Fall II	Oct. 23, 2017	Dec. 22, 2017	\$4,150	\$8,345
Spring I	Jan. 8, 2018	March 2, 2018	\$4,150	\$8,345
Spring II	March 12, 2018	May 11, 2018	\$4,775	\$8,970
Summer I	May 21, 2018	June 29, 2018	\$3,585	\$7,780
Summer II	July 2, 2018	Aug. 10, 2018	\$3,585	\$7,780

*Prices and dates are subject to change without notice.

If you meet the minimum requirements for English proficiency, you are eligible to apply directly to the undergraduate program:

DIRECT UNDERGRADUATE ADMISSION

admissions.vt.edu

The deadline to submit your online application is **January 15**. To have your IELTS/TOEFL/PTE score automatically sent to Virginia Tech, please specify Virginia Tech's CEEB code (5859) on the test form. We recommend the English language proficiency tests be taken by **January 15** and scores be received before **February 1**.

ENGLISH LANGUAGE REQUIREMENTS

International students whose native language is not English must document proficiency in the English language by submitting either an IELTS, TOEFL, or PTE score.

IELTS: At least 6.5, with no subscore below 6.5

TOEFL: At least 80, with no section subscore below 16

PTE: At least 53

OTHER REQUIREMENTS

As for the SAT, please note that for international students we are a test-optional university. In addition, we have an optional interview opportunity through InitialView.

ADVANCED PLACEMENT, INTERNATIONAL BACCALAUREATE, CAMBRIDGE EXAM, CLEP, AND DUAL ENROLLMENT

We award AP, IB, CLEP, and Cambridge Exam equivalencies after faculty review of content and applicable Virginia Tech credit.

registrar.vt.edu/registration-multi-brief/ap-ib-clep-credit.html

If you already have a baccalaureate degree and required TOEFL or IELTS scores:

GRADUATE ADMISSION

graduateschool.vt.edu

We encourage applicants to submit their complete online applications, including supplemental materials, early to allow sufficient time for applications processing. **International applicants must submit their applications no later than April 1 for fall semester or September 1 for spring semester.**

GRE (Graduate Record Examination) or **GMAT** (Graduate Management Admission Test) requirements vary by department.

TOEFL scores are required of all international students whose first language is not English, except those applicants who have graduated from an accredited university where English is the language of instruction. The Graduate School expects a minimum TOEFL score of 90 (IBT) for admission. Further, TOEFL scores of 20 or greater in Listening, Writing, Speaking, and Reading subsections are required. Some departments may require higher minimum scores. Scores are not required of U.S. permanent residents and U.S. naturalized citizens.

IELTS is accepted. A 6.5 minimum is required to apply.

Official test scores should be sent to the Virginia Tech Graduate School, institution code 5859.

GRADUATE SCHOOL

INTERDISCIPLINARY GRADUATE EDUCATION PROGRAMS

The Graduate School supports 14 Interdisciplinary Graduate Education Programs to promote and sustain transdisciplinary graduate education and research. The programs involve faculty from all of the university's colleges, and more than 300 graduate students participate as funded research assistants in these programs. Each program addresses a major fundamental problem or complex societal issue requiring an interdisciplinary team of scholars.

The programs are:

- Bio-Inspired Buildings
- Biological Transport
- Computational Tissue Engineering
- Disaster Resilience
- Genetics, Bioinformatics, and Computational Biology
- Human-Centered Design
- Interfaces of Global Change
- Macromolecular Science and Engineering
- Regenerative Medicine
- Remote Sensing
- Sustainable Nanotechnology
- Translational Obesity Research
- Translational Plant Science
- Water INTERface: Interdisciplinary Research Transcending Boundaries of Engineering and Human Health

Other graduate transdisciplinary programs at Virginia Tech include:

- Alliance for Social, Political, Ethical, and Cultural Thought;
- Geospatial and Environmental Analysis;
- Translational Biology, Medicine, and Health;
- Urban Computing.

International students seeking F-1 or J-1 status may only be admitted to the Blacksburg or National Capital Region campuses.

Virginia Tech Graduate School leads the country in holistic admissions methods for graduate application review.

The award-winning Graduate Life Center provides residential, meeting, and community spaces in addition to housing the Graduate School offices.
