7 major research institutions
INNOVATION CAMPUS

Virginia Tech is creating a bold, new vision for graduate education in computer science and computer engineering. The Innovation Campus – located near Washington, D.C., in the Potomac Yard area of Alexandria, Virginia – will be both a place and a culture that unlocks the power of diverse people and ideas to solve the world's most pressing problems through technology.

Opening 2024!

This is Home

Blacksburg, Virginia

Virginia Tech's main campus is in Southwest Virginia's picturesque New River Valley in the town of Blacksburg. With an area of some 4,850 hectares nestled on a plateau between two mountain ranges, Blacksburg offers naturally beautiful views, unique stores, art galleries and restaurants.

Blacksburg is home to about 44,000 local residents. Because of its award-winning services, reasonable cost of living, safety, moderate climate, and abundant leisure activities, Blacksburg is consistently ranked among the country's best places to live and has earned a reputation nationwide as a well-managed, stable and forward-looking community.

Fast Facts

■ Blacksburg regularly tops lists of the best places in the country to raise children.

■ It's one of the most "wired" communities on the planet; you can connect to the internet from anywhere in town.

■ Award-winning Blacksburg Transit provides townwide public transportation at a reasonable cost and a game-day shuttle for football and basketball games.

■ You can go swimming or boating in one of the oldest rivers in the world – the New River. It's also one of the few rivers that flow south to north.

Distance to Major Cities

Atlanta: 640 km. or 410 mi.

Boston: 1,100 km. or 710 mi.

Charlotte, N.C.: 270 km. or 173 mi.

New York: 780 km. or 490 mi.

Philadelphia: 660 km. or 426 mi.

Raleigh, N.C.: 320 km. or 228 mi.

Miami: 1,400 km. or 901 mi.

Washington, D.C.: 420 km. or 269 mi.

The Virginia Tech Language and Culture Institute

The Language and Culture Institute has helped thousands of students to achieve their dream of studying at an American university – particularly at Virginia Tech!

Our university preparation and English language programs have been developed over a span of 50 years and are highly effective in equipping students for the rigors of academic life.

Why Choose AdvantageVT?

More than 95 percent of AdvantageVT students successfully complete the program and progress to their chosen undergraduate programs.

AdvantageVT graduates outperform other international students in their undergraduate studies.

Nearly one-third of the 2019 cohort of AdvantageVT students graduated from their undergraduate programs with honors.

AdvantageVT

If you qualify for admission except for meeting minimum language test scores, you may be eligible for AdvantageVT.

Students enrolled in AdvantageVT are pre-admitted to participating majors and guaranteed entry to their degree program upon successfully completing program requirements.

While improving your language skills, you'll prepare for the rigors of university study and earn credits toward your degree. Your credit courses will be taught by Virginia Tech professors and count directly toward your intended major.

Program Features

■ Undergraduate and graduate-master's preparation.

■ Pre-admission to leading programs in business, engineering, and science.

■ Up to three semesters of study based on your initial English proficiency.

■ Advanced academic writing, presentation, and research skills.

■ Integrated credit courses applicable to your degree.

■ Academic advising and language tutoring.

■ Guaranteed progression to degree studies upon successful completion.

Semester	Classes Start	Classes End
Fall	August 22, 2022	December 7, 2022
Spring	January 17, 2023	May 3, 2023
Summer	May 22, 2023	August 11, 2023

Undergraduate Admission Requirements

Most students will have completed more than the following minimum requirements and have at least a B+ (88%) grade-point average. To qualify, you must have graduated from an accredited secondary school or high school with these courses on your transcripts:

■ 3 units of math (includes algebra I, geometry and algebra II).

■ 2 units of laboratory science (chosen from biology, chemistry, or physics).

■ Additional academic units (foreign language is highly recommended).

No SAT or GRE required for entry!

Undergraduate Program Structure

■ Three entry dates per year – fall, spring, and summer.

■ Three placement levels requiring 1 to 3 semesters to complete.

■ Semester-based schedule, 16 weeks in the fall and spring, 12 in the summer.

■ Curriculum of English for Academic Purposes courses (10 to 20 hrs/wk), University Success Seminars (3 hrs/wk), and credit courses (6 to 9 hrs/wk).

■ Earn up to 18 credit hours; 15 credit hours (about 5 degree courses) included in program price.

AdvantageVT-Master's

Admission Requirements

Admission decisions are made by the departments represented in the program in conjunction with the Graduate School. Students who are selected for admission to a program will generally exceed minimum specifications plus any additional requirements imposed by the program.

■ An undergraduate degree from an accredited institution of higher learning.

■ In most cases, undergraduate studies closely related to the intended major.

■ A minimum of a 3.0 cumulative grade-point average (GPA) for most majors. Some programs require higher GPAs.

Departmental admission requirements are detailed on their websites and in the Graduate Catalog.

Master's Program Structure

■ Three entry dates per year – fall, spring, and summer.

■ Three placement levels requiring 1 to 3 semesters to complete.

■ Semester-based schedule, 16 weeks in the fall and spring, 12 in the summer.

■ Curriculum of English for Academic Purposes courses (10 to 20 hrs/wk), University Success Seminars (3 hrs/wk), and credit courses (3 to 6 hrs/wk).

■ Up to 9 credit hours (3 degree courses) included in program price.

Intensive English

Intensive English is a multilevel academic preparation program designed to help you make the transition to American academic life.

The program provides classroom instruction in all language skill areas: Listening, Speaking, Reading, Writing, and Pronunciation. We will also teach you academic study skills so you are ready to succeed at an American college or university, including test-taking and note-taking skills, critical reading and writing, and research and library skills.

Many of our students go on to study at a college or university in the United States at the undergraduate or graduate level. The Intensive English Program features an option for conditional admission to Virginia Tech's distinctive undergraduate programs.

New! English Essentials

For cost-conscious students, English Essentials is a course-only program option with all of the features of Intensive English *except* conditional admission, academic advising, tutoring, and TOEFL workshops. Access to university facilities and services (recreation facilities, health services, transportation services, etc.) is available at additional cost.

Program Features

■ Intensive preparation toward meeting university English language requirements.

■ Optional conditional undergraduate admission to Virginia Tech (qualifying TOEFL score required for progression).

■ Full-time instruction encompassing all skill areas, with Intermediate, High Intermediate ,and Advanced levels.

■ Know before you go – online level placement.

■ Included academic advising, tutoring, and TOEFL workshops.

Program Structure

■ Three entry dates per year – fall, spring, and summer.

■ Semester-based schedule, 16 weeks in the fall and spring, 12 in the summer.

■ 20 hours of instruction per week.

Admission Requirements

■ Minimum age 17.

■ High school diploma.

Standardized Test Scores (ACT/SAT)	Optional

English Essentials

Applicants to English Essentials will follow the same process as applying to the Intensive English program (right). Students enrolled in English Essentials take the same classes, with the same curriculum and teachers, as Intensive English students. Conditional Admission is not available under the English Essentials program, nor are academic advising, tutoring, or TOEFL workshops. Access to university facilities and services (recreation facilities, health services, transportation services, etc.) is available at additional cost and can be purchased at registration.

Apply for Intensive English, Conditional Admission, or English Essentials:

Tuition and Fees

Virginia Tech is consistently recognized for its quality of education, with nationally ranked academic programs, a wide range of undergraduate research opportunities, and excellent graduate career statistics.

Estimated costs for the 2022-23 academic year are listed here to give students a benchmark for planning their attendance at Virginia Tech. These costs are estimates for planning purposes only and are subject to change.

Important: In addition to the tuition and fees described here, various additional fees may be assessed depending upon your college and the course(s) in which you are enrolled. Refunds of tuition and fees are subject to the universities published policies and procedures.

Preparatory Programs, *per semester*

	AdvantageVT	AdvantageVT-Master's	Intensive English	English Essentials
Tuition	$21,000	$18,500	$9,760	$5,000
Room and Board	$5,820	$6,329	*Summer Only*	*Summer Only*
Comprehensive Fees*	$1,858	$1,858	$1,858	*Optional*
Health Insurance	$1,755	$1,755	$1,755	$1,755
Books and Supplies	$550	$550	$550	$550

University Programs, *per year*

	Undergraduate	Graduate
Tuition	$31,754	$29,266
Room and Board	$11,640	$12,658
Comprehensive Fees*	$3,716	$3,716
Health Insurance	$3,510	$3,510
Books and Supplies	$1,200	$1,200
Total	**$51,820**	**$50,350**

Note that the number of credit hours for which you are enrolled may affect the total price.

*Comprehensive fees allow access to expanded services, including health and exercise facilities, intramural sports, bus service, library services, athletic ticket pools, and more.

General Application Information

Proof of Financial Support

New students applying from overseas and seeking a student (F-1) visa or F-1 students transferring to the LCI from other schools must provide documents proving sufficient funds to cover tuition, living expenses and health insurance for the period of study. This requirement may be satisfied as follows:

■ A bank or brokerage statement in your name or in the name(s) of your parents. This statement must show sufficient funds to support all expenses relating to your studies. If a parent's bank statement is used, the parent must provide a signed statement that these funds on deposit will be used to support your studies.

■ A letter from a bank certified by a bank official stating that you or your parents have a bank balance sufficient to support your studies. This letter must show a minimum amount on deposit to support all expenses relating to your studies.

■ A scholarship letter from an educational institution, or a government agency showing sufficient funding to support all expenses relating to your studies.

■ An affidavit of support from a relative or sponsor in the United States. This affidavit must show sufficient income and resources to support all expenses relating to your studies. A Form I-134 Affidavit of Support is available from the Department of Homeland Security.

■ *A combination the above methods is also acceptable.*

Application Processing Timeline

■ Applications are reviewed on a "rolling basis" as they are received. All communication concerning applications is sent via email.

■ Within three business days of submitting of your application, you should receive an email confirmation. Your application will be reviewed when your application fee and all required supporting documents have been received.

■ Within one week of acceptance, you should receive your acceptance package – including arrival details and information on how to obtain your visa.

■ Within three business days of submitting your program deposit, a Form I-20, which is used to obtain a student visa, will be issued via your email address.

Refund Policy for Applications

Application fees are nonrefundable. Program deposits are nonrefundable except when an applicant's visa has been denied. In this case, the deposit will be refunded upon presenting proof in the form of a visa denial letter issued by the U.S. Embassy or Consulate.

Student Life

Residence Living

About 10,000 students live in residence on the Virginia Tech campus across 46 residence halls. Buildings include study, fitness, laundry, and cooking facilities. Many room configurations are available. Some halls feature living/learning communities with themes around arts, majors, learning opportunities, leadership, and entrepreneurship.

Our campus dining services are regularly rated among the best in the U.S.

On-campus housing is available to AdvantageVT students throughout the year, and to Intensive English students during the summer semester.

Activities and Events

The Princeton Review ranks Virginia Tech 15th in the nation for having the happiest students.

Opportunities abound for fellowship and involvement in life on campus. The university hosts over 800 clubs, as well as 52 fraternity and sorority life communities.

Community and university events are abundant. Students can attend art exhibits, plays, films, music performances, lectures, and community festivals. Virginia Tech is also host to intercollegiate American football, basketball, soccer, and baseball games.

Sports and Leisure

Students can participate in intramural sports, join exercise classes, participate in outdoor adventure activities, and enjoy access to Virginia Tech's world-class student athletic facilities.

McComas Hall, a student gym, features weight training equipment, basketball and volleyball courts, fitness studios, a jogging track, and an eight-lane swimming pool. Outdoor facilities include numerous tennis, basketball, and volleyball courts.

Squires Student Life Center is also a staple of student life, with billiards, bowling, table tennis, and other activities.

Access to facilities and university services is included in student fees.

Housing & Dining

Your living space will provide a deep connection to your campus and community in Blacksburg. Whether you are rooming with a friend from home, part of a Living-Learning Program, or living off campus, you will build incredible friendships where you live that will define your experience at Virginia Tech.

Living-Learning Programs

Our Living-Learning Programs provide students with the opportunity to thrive in and out of the classroom in an environment that becomes home. There are options for students from every academic college and every class year. This experience will change the way you think about living on campus by integrating what you study, where you live, who you live with, and how you think about the world. Learn more at llp.vt.edu.

Off-Campus Housing

There are lots of housing opportunities off campus. Blacksburg has apartments, townhomes, and rental homes, and homestay options available depending on your needs. Go to **techoffcampus.com** to view apartments, townhomes, and find roommates.

Campus Dining

Virginia Tech has built a reputation for outstanding dining. Our dining program stays at the leading edge of national trends. Students report high overall satisfaction and appreciate the variety of dining options available on campus.
